Are You Ready to VOTE?!

REGISTRAR OF VOTERS ENCOURAGES ALL CONTRA COSTA RESIDENTS TO CHECK THEIR VOTER REGISTRATION STATUS

The Contra Costa Elections Division urges all voters to make sure their voter registration status is correct well before the November 8, 2022 General Election. This helps us keep our voter roll clean and up-to-date, and save taxpayer money by not sending ballots to inaccurate addresses. The Post Office does not forward ballots, so it is important to keep your information current with the Elections Division. Contra Costa voters can easily check their registration status by going to www.cocovote.us and clicking the "My Voting Information" button.

We want to make sure all eligible Contra Costa County residents are registered and ready to vote in the November General Election," Registrar of Voters Debi Cooper said. "It is extremely important to have an up to date registration, because our office is required to mail a ballot to every active, registered voter 29 days before the election. We need to know where to mail your ballot to make sure you receive it on time."

To keep registration information current, the Elections Division relies on information from outside sources, including voters themselves. It is important to make sure your voter registration is updated if you move, change your name, or want to change your party affiliation. The Elections Division always wants to be sure that our voters have the very best voting experience, and we need your help to do that.

Voters who need additional assistance can contact our office by email at voter.services@vote.cccounty.us or by phone at 925-335-7800.
