**CLERK-RECORDER'S OFFICE TO STAY OPEN LATE ON THURSDAY
NIGHTS DURING JULY AND AUGUST**

Residents will be able to get married and obtain documents until 7:00 pm

It's summertime in Contra Costa County, and the Clerk-Recorder's office is bringing back its popular Extended Summer Hours program.

Every Thursday, beginning July 7th and continuing through August 25th, the Clerk-Recorder's office, located at 555 Escobar Street in Martinez, will be open from 8:00 am until 7:00 pm, a 2 ½ hour extension to the usual closing time.

Summer is an important time to obtain birth certificates for school, sports and those seeking documents for traveling. It is also a popular season for weddings.

"The Extended Summer Hours program is one that our staff is pleased to provide to County residents who find it difficult to get to our office before we normally close during the week," said Elizabeth Gutierrez, the Assistant Clerk-Recorder. "Our office is focused on finding ways to make services more accessible to residents and this program was very popular before the pandemic."

Services provided during the extended hours include the issuance of marriage licenses, performance of civil wedding ceremonies, copies of vital records (i.e., birth and death certificates), copies of recorded documents and fictitious business name filings. This year the recording of property records is also being offered during the extended hours.

Marriage ceremonies will be available by appointment only.
