PUBLIC INVITED TO OBSERVE EQUIPMENT TEST FOR MAY 7 ELECTION

The May 7th Special Mail Ballot Election is underway for a part of unincorporated Contra Costa County. The public is invited to observe testing of the equipment used to count the ballots.

Central-count voting equipment is used to tally all vote-by-mail ballots and the public test of the equipment will begin at 10:00 am Friday, April 26th at the Elections Office, located at 555 Escobar Street in Martinez.

This Special Election is for approximately 1,400 voters in the Round Hill area of Alamo, who are voting on Measure C, a proposed increase to an existing property tax for additional funds for police protection services.

The test will confirm that all machines are in working order and functioning properly. A set of test ballots will be scanned through each machine to ensure they are properly programmed and operating as expected.

Visitors are asked to check-in at the Elections lobby.
